ESTABLISHED 1860

VOLUME NUMBER 90 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, FEBRUARY 16, 1950 | NUMBER 44

SNOW, SLEET, MINOR FLOODS PLEAGUE TEXAS

Clearing skies will prevail Tuesday afternoon and Wednesday with the temperature dropping to the lower 30 mark tonight. Not quite so cold Wednesday with the highest temperature near 55 degrees.

Snow, sleet and minor floods hit Texas Monday in the wake of deadly week-end tornadoes.

The norther that brought the snow and sleet was expected to put a stop to flood-producing rains, however. It also ruled out the likelihood of more twisters.

However, this vicinity will not be hit too hard by the norther, according to the United States Weather Bureau's forecast, which calls for a low tonight of 35 degrees. Occasional light rain is expected today. Forecast high for today is 50 degrees. Warmer weather is predicted for Wednesday.

The East Texas death toll from tornadoes that whirled through four States rose to nine Monday. Shirley Windsor, 9, died in a Lufkin hospital. She was injured Sunday when a twister hit the little community of Salem. Her father and baby brother also were killed.

Tornadoes killed 29 persons in Louisiana Sunday and nine in Tennessee early Monday .

In all, more than 200 persons were injured and Texas property and crop damage was believed to be more than $1,000,000.

The most dangerous flood threat was at Houston, where Greens Bayou overflowed into three streets in the Kenwood Addition Monday. Volunteers and deputy sheriffs helped several families move to higher ground.

Wet snow that melted as it hit the ground fell late Monday at Llano, northwest of Austin on a line with San Angelo. Light occasional snow was reported earlier at Lake Travis, 25 miles north of Austin.

CAMERON SURGEON ACQUIRES PROPERTY

Dr. W. R. Newton, widely known Cameron surgeon, has purchased the Snyder General Hospital.

Contract to purchase the hospital was announced early this week in Snyder by Dr. C. R. Cockrell principal owner and founder.

Dr. Newton has been away from his practice in Cameron for the past two weeks to take over his newly acquired property at Snyder and to organize the staff of doctors. He announced that Dr. Harry W. Ward and Dr. John Broaddus will remain on the staff and that Dr. Cockrell also had agreed to work with the staff as much as his business will permit.

Dr. Cockrell, it was understood here had previously acquired large land holdings in Scurry County and will devote time to his oil interests.

Dr. Newton said that two other doctors were being sought for the staff. He plans immediate expansion of hospital facilities to meet the need in Snyder and Scurry county where potentially one of the largest oil fields in the world has been discovered.

The population of Snyder, it was estimated is now around 20,000.

Dr. Newton will maintain his Clinic and practice in Cameron and will continue to live here. He established Newton Memorial Hospital which he named for his late father, Dr. W. R. Newton, Sr. The hospital is operated as a charitable institution. All profits, if any, going into equipment and maintainance. It is a 52 bed hosptal.

Dr. Newton, now 40 years old, according to the Scurry County Times, finds his efforts to bring higher standards of hospitalization to Snyder and Scurry County, generally appreciated by doctors as well as the people at large.

Dr. Newton was expected home this week end to resume his work here.

LLOYD NOLAN DEAD

Lloyd Nolan, 53, wealthy oil man of Ardmore, Oklahoma was found dead in his hotel room in Houston early today. It was said he was suffering with the flu when he left his home in Ardmore for a business trip to Houston.

Miss Aetna Smith who has been in Scott & White Hospital in Temple has returned to her home improved.

Home Economist For Lone Star Gas Company

MISS RADINE E. BRENTON

Appointment of Miss Radine E. Brenton as home economist for Lone Star Gas Company in this territory has been announced by A. P. Rowland of Waco, division superintendent. With headquarters in Bryan, Miss Brenton will serve homemakers in the twenty-nine towns comprising the company's Mexia, Cameron and Bryan districts, Mr. Rowland said. These include Bryan, College Station, Hearne, Calvert, Madisonville, Centerville, Leona, Normangee, Cameron, Buckholts, Minerva, Rogers, Rosebud, Travis, Rockdale, Caldwell, Mexia, Coolige, Tehuacana, Wortham, Fairfield, Oakwood, Streetman, Groesbeck, Ben Hur, Teague, Buffalo, Dew and Richland.

Miss Brenton, a native of Sergent, Nebraska, recently completed a course of training in the gas company's home economics department in Dallas under Miss Julia Hunter, home economics director.

The new home economist will be available for consultation on recipes, menu planning, party planning, laundering and household problems, Mr. Rowland pointed out. She will also be a source of information on how to produce balanced meals at minimum cost and will counsel with home builders planning modern gas kitchens. She will hold cooking schools and give demonstrations on the care and use of gas equipment.

Miss Brenton is a graduate of the University of Oklahoma at Norman where she received a degree in home economics. She is a member of the Methodist Church and Kappa Phi Alumni Association. Her hobbies are sports, keeping scrapbooks and painting.

STATE LEVY WOULD RUN FOR SEVEN YEAR

The House passed the penny-a-pack cigaret tax increase bill to financing building of State hospitals and special schools. The vote was 112-27.

It was the first tax bill passed by the House at the special session. It would run seven years.

The measure would raise the State tax on cigarets from a preesent level of 3 cents per pack to 4 cents. On the basic of current cigaret sales in Texas, it would raise approximately 7½ to 8 million dollars a year additional revenue.

Five million dollars of this extra money would go to a special fund for construction of hospitals and special schools, the remainder to an operating fund.

The bill goes to the Senate.

Restriction of revenue for building purposes of $5,000,000 a year was provided for in an amendment by Representaive Douglas Bergman of Dallas. The amendment was adopted, 123-5.

State Explains License Renewal

AUSTIN, Texas, Feb. 13—Holders of old style Texas drivers' licenses will not be notified of expiration dates.

The new style license, now being issued, will carry a notification service.

The Department of Public Safety explained Monday that some motorists erroneously believe they will be told when to apply for another license even if they now carry the old style license. It shows the renewal date, but the department will not give any special notice when the time comes to get it renewed.

After you get the new license, you will be on the list for automatic notification of future expiration dates.

YOU DON'T HAVE TO TELL INCOME TO CENSUS TAKER

You don't have to tell the census taker how much money you made this year.

A new provision has been made to enable citizens to mail the answer to the income question directly to the census director in Washington, John P. Manning, supervisor of the 10th census district said.

"There has been some controversy as to whether the income question should be asked," Manning said. "This new provision will enable incomes to be kept in strict confidence."

Census enumerators will have a form which is already addressed and stamped. All the citizen will have to do is answer the question, seal the form and mail it.

James W. Stroud of Dallas, area supervisor for Texas, Arkansas and Oklahoma, said that there is a possibility that Texas' population may show an increase sufficient to give it another member in the United States House of Representatives.

Stroud was in Austin to confer with Governor Allan Shivers and Manning.

Stroud indicated that Mayors of all Texas cities with a population of at least 10,000 would receive an official count of their population about April 29 if the program goes according to schedule.

TRUCK DRIVER ESCAPES WITH MINOR INJURIES

William Charles Burt escaped with minor injuries Tuesday when the six wheel truck, belonging to Mack's Oil Company left the road and turned over in a ditch near Brushy Creek bridge on Highway 79.

Mr. Burts was returning from Taylor and as he neared the bridge the truck went out of control into the ditch. A passing motorist brought Mr. Burts to St. Edward Hospital where he was resting well Wednesday. The truck was badly damaged with the cab completely demolished.

Highway Patrolman Higginbotham investigated the accident.

Publisher Thanks Friends For Help During Long Illness

J. B. White, Publisher, enfeebled somewhat by six weeks illness in the Newton Memorial Hospital, said today he felt an urge to get back in the fight.

Primarily he thanked his good wife, the fine employees for carrying on in such a splendid way and the continued good patronage of our customers in keeping up the volume of business at the plant is a source of satisfaction.

It is not likely he will be able to leave Newton Memorial Hospital for another week or more but begged a little space today to thank four old pistol pocket friends for walking canes. These sticks came from Archie McLerran, Mayor Roy Griffith, Milton Falkner and Giles McDermott.

"With all this underpinning, he said, "I am beginning to feel more secure. There are many types of friends, some the fair weather kind who leave when the clouds gather but the old pistol pocket friend is there when the storm breaks. He is like a crutch and a napkin. You can use him and throw him aside and use him again but he never quits you. The reason pistol pocket friends are rare, because God made so few of them."

"This thanks includes many who have offered sticks and the scores who are down in my book for the unforgettable visits, inquiries and the general manifestation of interest in my welfare.

STEPHENVILLE MAN HELD IN MILAM COUNTY JAIL

Howard Campbell of Stephenville is being held in Milam County jail facing charges of passing worthless checks.

Sheriff Carl Black went to Campbell's home in Stephenville Monday and returned him to Cameron where he was placed in jail. It was said that Campbell had given ten different worthless checks to local merchants. The checks were said to have totaled $30.00.

RUSSIA, CHINA SIGN PACT

CREDIT PERCENTAGE GIVEN CITIES

MacARTHUR GETS COMMAND

SIGNED MUTUAL AID IF ATTACKED IS PROVIDED

Russia and Communist China signed a 30-year treaty of friendship, alliance and mutual aid.

The agreement provided for mutual military aid in event either country is attacked by Japan or her allies.

Both countries pledged "immediately to render military or other aid with all means at their disposal" if either is attacked by Japan "or any state allied with her".

Peking Radio, monitored in Tokyo, said the treaty was aimed at curbing the "agression" of nations "directly or indirectly connected with Japan."

The treaty was divided into three parts:

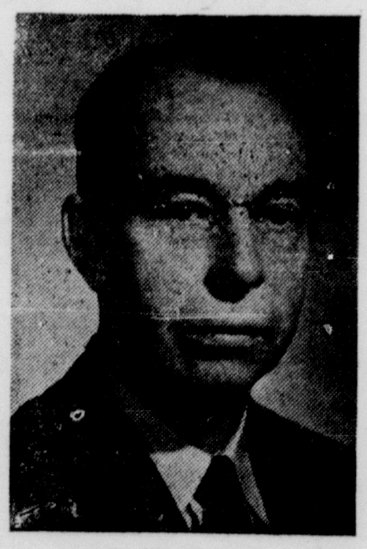
1. A treaty of friendship and alliance between Soviet Russia and China.

2. Agreements on the Chinese Changchun Railway, Port Arthur and Dairen.

3. An agreement on extension of commercial and economic aid to China.

The treaty was signed after nine weeks of negotiations between Premier Josef Stalin and Foreign Minister Andrei Vishinsky on the one hand and Mao Tze-tung, chairman of the Chinese People's Republic, and Chou En-lai, Premier and Foreign Minister, on the other.

This Territory Gets New Sales Manager



B. M. ALLEN

Appointment of B. M. Allen as dealer sales assistance representative for Lone Star Gas Company in this territory has been announced by A. P. Rowland of Waco, division superintendent. With headquarters in Belton, Allen will supervise the program of aiding gas appliance dealers in the promotion and sale of modern gas appliances for the home, Rowland said. His territory includes the thirty-six towns comprising Lone Star's Bryan, Taylor, Georgetown, Cameron, Temple and Lampasas districts.

Allen began his career with Lone Star in 1933 at Temple and served in various capacities there and at Georgetown and Taylor until 1941 when he was named manager of the company's subdistrict at Belton. He held this post until his new assignment and was succeeded at Belton by Hubert Ferguson.

The new dealer sales assistance representative was graduated from the Florence high school and has completed International Correspondence School courses in salesmanship and the gas industry. In Belton he is a member of St. Luke's Episcopal Church, the chamber of commerce, Rotary Club and the volunteer fire department.

Mr. and Mrs. John Donaldson are the happy parents of a daughter born Thursday, February 9, 1950 at St. Edward Hospital. The baby weighed seven pounds and eight ounces and has been named, Carolyn. The mother is the former Betty David.

FIRE INSURANCE CREDIT RATE SET FOR CAMERON

Paul H. Brown, State Fire Insurance Commissioner has released the credit and penalty percentage for Texas Cities effective March 1. A credit is a percentage cut from the key rate for each city, while a debit is a percentage penalty in addition to the key rate.

Temple's rate during the past year has a 10 per cent insurance rate credit replacing last years five per cent penalty.

Belton's rate held steady, the city retaining its 10 per cent good fire record credit.

The maximum credit given by the State Board of Fire Insurance Commissioners is 25 per cent, while the maximum penalty is 15 per cent.

The credits and debits for 1950 compared with 1949 figures for other Central Texas towns:

Bartlett, 10 per cent credit this year compared with five per cent credit last year.

Cameron, 5 per cent debit compared with no debit or credit last year.

Copperas Cove, 25 credit, same.

Gatesville, 10 debit compared with 15 debit last year.

Georgetown, neither credit nor debit this year, five debit last year.

Granger, 10 debit ,same.

Holland, 20 credit, same.

Killeen, 25 credit, 15 last year.

Lampasas, 10 credit, same.

Lott, 25 credit ,same.

McGregor, 15 debit, same.

Marlin, 15 credit this year, 10 credit last.

Moody, 10 debit, same.

Rogers, 10 debit, five credit last year.

Rosebud, 15 credit, 25 credit last year.

Waco, neither, five credit last year.

SALT WATER PROBLEM AT TEMPLE AGAIN

Temple has a salty problem again.

It is getting another dose of salt in its drinking water of late. However, City Water Superintendent Bill Weems says that there isn't anything to worry about. As a matter of fact, he added, salt pollution is to be expected.

Cloride, or table salt, concentration in the city water supply is more than 200 parts per million, he estimated. When water passes the 250 parts per million mark, the State Health Department doesn't recommend it for drinking purposes.

Weems said the salt concentration isn't heavy enough to taste yet though it has hardened the water considerably.

Oilmen aren't dumping more salt water in the streams, Weems noted, as some people seem to think.

The real cause of the salt concentration is the recent rains which have hit Central Texas. The additional surge of water has flushed the long-time polluted Colony Creek in Eastland County, he said. And Colony Creek has a number of holes which are filled with water highly concentrated with salt.

Bill Mason's Son Pleads Guilty To Burglary Charge

Burt Mason, 23, pleaded guilty to charges of burglarizing a bar in Galveston and was bound over to the grand jury under $1,500 bond.

He was arraigned before justice of peace James McKenna.

Mason was arrested Wednesday night. The arresting officers said they caught him coming out of a window in the Gismo bar.

The son of the slain Alice, newscaster, Bill Mason, young Mason had been employed by a radio station and, recently in a temporary job with a Galveston Chamber of Commerce.

CONTROL OF U. S. FORCES IN WESTERN PACIFIC

The military high command made clear Monday that Gen. Douglas MacArthur will control operations of all United States forces in the Western Pacific—including the fleet—in case of war.

MacArthur, 70-year-old commander of this country's Far East military headquarters in Tokyo also has been given peacetime control over operations of United States naval vessels in Japanese waters. Outside those waters, which were not publicity defined at once, Western Pacific naval operations will continue in peacetime under Admiral Arthur W. Radford's Pacific Fleet headquarters.

This "readjuttment" in the command setup to "reaffirm and clarify" the relationship between MacArthur's Far East command and naval forces in that part of the world was disclosed at a news conference of the Joint Chiefs of Staff, who returned last Friday from a 10-day trip to the Far East.

Admiral Forrest P. Sherman, Chief of Naval Operations, told a questioner at the same conference that he believes the Pacific Fleet is so equipped and deployed that it could cope with any Russian submarine attack.

He confirmed that the Russians have about 270 submarines, not counting their midget subs, and said that a little more than one fourth of them are in the Far East as they have been for a number of years.

These submarines and other Russian naval vessels based on the maritime provinces and on Dairen certainly can not be disregarded when considering the security of the Pacific and United States communications in that ocean, Sherman declared.

FEDERAL INSURANCE ADVANTAGE TO FARMERS

You can't stop a storm but you can protect your crop investment with Federal Cotton Crop Insurance on Cotton. A Federal Crop Insurance Policy will protect the money and labor investment in producing cotton against loss from the production risks that you cannot control such as weather, insects and disease. Its good business to protect what you invest.

Milam County farmers know the hazards of producing cotton, hail, excessive moisture, drouth, insects and many others.

If your cotton investment is not protected against crop disaster, it is suggested that you apply through the County PMA Office. Full particulars and an application may be obtained at the office as announced by Alva E. Sanders, Administrative Officer of the Milam County PMA.

VOTE ON MARSHAL HERE FEBRUARY 28TH

A run-off Primary has been ordered for Tuesday, February 28, 1950 in the race for City Marshal in Cameron.

The Executive Committee in calling the first primary did not provide for nomination by majority but has done so in this subsequent notice.

Jim McGoldrick incumbent, and Joe Richter fromer police officer are the contestants in this race.

The City has two voting precincts but only one has been designated for this run-off as was the case in the first primary. Interest was expected to be normal, altho with only one contest the vote may fall short of the first primary.

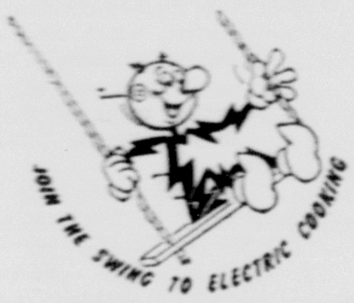
Del Webb of Rockdale was a business visitor here recently.

NO OTHER METHOD OF COOKING IS AS

CLEAN

AS *Electric Cooking*

The high speed cooking units on the new electric ranges are in direct contact with the cooking vessels, therefore, the heat goes into the vessels and not up or around the sides. It doesn't smoke your pots and pans, and there's no soot or smoke film to be carried through the air to settle and collect on your curtains, walls and cabinets. By eliminating the roiling waves of heat created by other methods of cooking, your kitchen stays degrees cooler. Besides these wonderful advantages, electric cooking is the safest method of cooking and no other can compare with its better cooking results!



SEE THE NEW ELECTRIC RANGES AT ELECTRICAL DEALERS

TEXAS POWER & LIGHT COMPANY

REVISION ON ACREAGE DELIBERATELY FIXED

Representative W. R. (Bob) Poage, Democrat of Waco ,said he believes someone in the Agriculture Department "deliberately" revised cotton acreage figures for Texas to put his State under a diffrent formula for dividing the 1950 acreage among the counties.

His assertion was at a hearing of a House agriculture subcommittee which is considering what changes should be made in the cotton acreage law.

Poage said the Texas figures for 1948 were revised upwards by 10,000 acres and that as a result Texas, by a mere 93 acres, came under the so-called California gadget of the law.

The result of this, he said, was that there was a shift in the distribution of war crop credits within Texas and "farmers who had earned credit for 1,400,000 acres of war crops didn't get that credit."

Charles E. Burkehead, of the department's Bureau of Agricultural Economics, said the 10,000 acres were added because the State statistician discovered three cotton gins which had not reported a total of 3,210 bales of cotton. The bureau's estimates are based, in part, on cotton ginnings.

Poage contended that this was the first time that State's total cotton acreage estimate had been changed; that in previous years if changes were made, the adjustments were made within the State total and the toal left unchanged.

He said he didn't think this "happened merely by coincidence," but that Texas' figures had been "fixed."

E. D. Bell, of the department's Production and Marketing Administration, told the subcommittee that "I fixed nothing in any particular way—we merely tried to do what the law requires us to do."

J. W. Hagood of Fort Worth made a short visit in the home of his wife's parents, Mr. and Mrs. B. Slocomb last week.

B. T. Ables, a pharmacist at New Cameron is among the patients in St. Edward Hospital for treatment. His many friends wish him a speedy recovery.

Camp Hood Triples Dimes Total

As the annual March of Dimes drew to a close Col. John W. Faulds, chairman of the 1950 appeal, announced that $6,600.82 had been contributed. This amount almost tripled last year's total.

The largest individual contribution came from the non-commissioned officers' mess, which presented Maj. Gen. A. C. Smith, Second Armored Division commander, with a March of Dimes check for $1,000.10. The NCOs were followed closely by the officers' mess, with a contribution of $951.44, the receipts from a March of Dimes dance held last Monday night.

The Camp Hood Community Chest added $300, the Civilian Club gave $78 and the Gray Air Base contributed $292.84. The remaining $3,978.94 was collected from jars and containers placed throughout the camp .

Assistance to the Gatesville March of Dimes was given by Camp Hood soldiers when a large Army truck-mobile radio relay telephone unit was set up in Gatesville by members of the 142nd Signal Company.

A telephone installed in the mobile unit in Gatesville took pledges for the March of Dimes. These were telephoned to the radio station KCLW in Hamilton, which in turn played requests of the donors over the mobile unit radio.

Three Cameron Boys To Attend Scout Jamboree

Three local Boy Scouts, Edward Brady, Arthur Martin, Jr., and Dick Jenness, have registered for the national jamboree of the Boy Scouts of America to be held at Valley Forge, Pa., in celebration of the Scout's 40th aniversary, this summer.

At least one other scout from Cameron will attend and several others are expected to sign up among the 126 which the Heart O' Texas council is eligible to send to the jamboree, Lester Williams, member of the executive board and council jamboree registrations chairman, said.

The officials gathering will run from June 30 through July 6 and the program will include a series of pageants re-enacting the history of Valley Forge.

BATTERY C, BATTALION RECEIVES INSPECTION

By MR. ALBERTSON

Battery C, 649th Anti-aircraft Artillery Battalion received its annual Federal inspection on last Tuesday evening, and Colonel Stark, the inspecting officer, indicated that he was pleased with the improved facilities and steady growth of the organization.

He did not anounce how he was rating the unit, but was expected to do so in a written report within a few days.

Col. Stark, who also inspected the battery last year, examined the unit's records, equipment and building on Tuesday afternoon. Then, during the drill period that evening, he inspected members of the unit in ranks. The drill was held in Battery C's new armory building which has just been completed.

It was in a brief speech at the conclusion of the drill period that Col. Stark commended the battery on its growth and new armory building. He also pointed out the importance of the work the National Guard was doing. It should be a source of pride to be a Guardsman, he said, due to the high standards required for admission, and referring to the fact that no enlistments were being accepted at this time.

In addition to Col. Stark, Col. Graves, Lt. Col. Burkett, Lt. Col. Brewster, the 649th Battalion's commanding officer, Capt. Wilds and other National Guard and Regular Army officers were present during the inspection.

Hubert Shafer, Cameron boy made the honor roll at SWTSC College in San Marcos. Hubert is a Junior at the College and is majoring in Agriculture. He is the son of Mr. and Mrs. Frank Shafer of Cameron and has many friends here who are very proud of his fine college record.

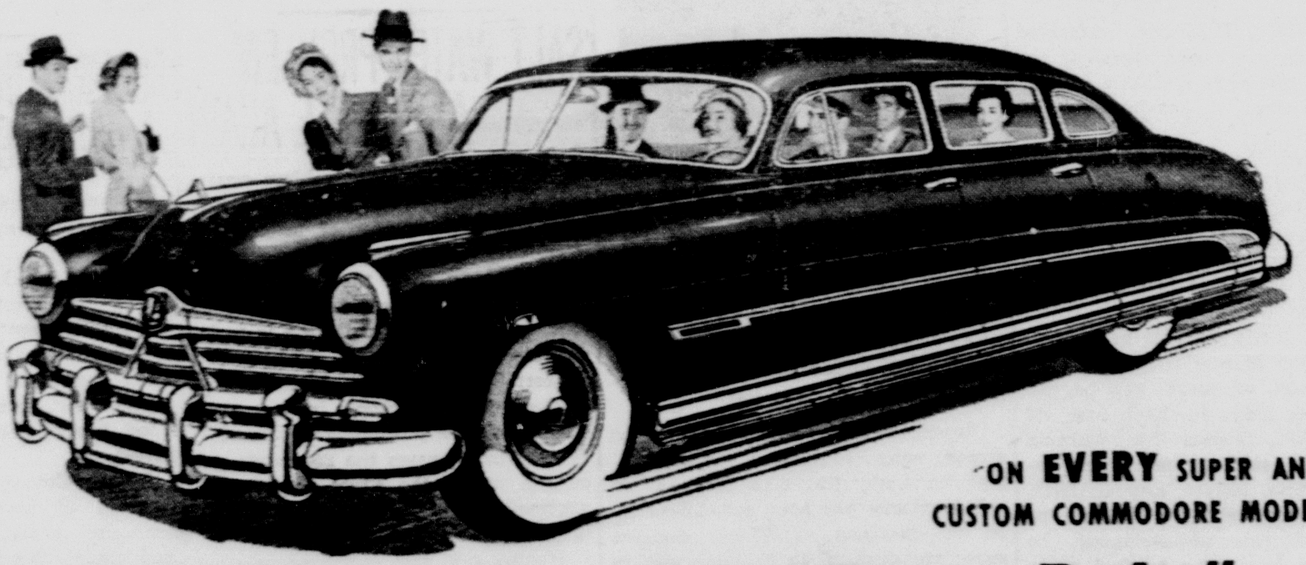
Mr. and Mrs. Joe O'Neil have returned home after spending the week end in Fort Worth.

Sheriff Carl Black made a business trip to Houston one day this week.

HERE...NOW...TODAY!

NEW 1950 HUDSONS

AT SENSATIONAL *LOWER PRICES**



ON EVERY SUPER AND CUSTOM COMMODORE MODEL

With "The New Step-Down Ride"

Here are 1950's most beautiful automobiles • The only cars with "step-down" design, which provides America's lowest center of gravity and the steadiest road-hugging ride ever known • Along with more room than in any other car • Here's the added safety of Hudson's exclusive Monobilt body-and-frame • The high-compression performance of America's most powerful Six • Or an even more powerful Eight • And all-range, Super-matic Drive† • Here, in short, are unique features that enable Hudson alone to bring you "The New Step-Down Ride"!**

**Trade-mark and patents pending.

TODAY'S THE DAY!

The day to see the gorgeous Hudsons for 1950 that bring you a fresh motoring experience—"The New Step-Down Ride"—at sensational *lower* prices on *every* Super and Custom Commodore model.

This is the ride that cradles you in the lowest-built car of them all!

You instantly see that these New Hudsons have the lowest center of gravity in any American automobile—and as a result, you know instinctively, as you view them, that they hug the road more tenaciously and are therefore America's best-riding, safest cars!

You quickly see, too, that these low-built Hudsons for 1950 have full road clearance and more head room than in any mass-produced car built today—thanks to "step-down" design with its recessed floor!

And amazing head room is only one kind of spaciousness you'll find in these great cars! Through "step-down" design and ingenious use of space that is wasted in other makes, these new, streamlined Hudsons of normal exterior width bring you seat cushions that are *up to 12 inches wider* than those in cars of greater outside dimensions.

In fact, when you try "The New Step-Down Ride", you'll find the New Hudson has more inside room than any other car, at any price!

You'll thrill to the get-up-and-go performance of your choice of two of the greatest engines in a long line of great Hudson engines—the high-compression Super-Six, America's most powerful Six, or the even more powerful high-compression Super-Eight!

But these are only a few of the great features of "The New Step-Down Ride" that mean *more* value at *less* cost. There are more, so many more that the only way to really appreciate all that the New Hudsons for 1950 have for you is to come in, try them yourself. May we expect you soon?

Available with Hudson's exclusive

FUNERAL SERVICES FOR JOE SCHIGUT SUNDAY

Joe Schigut, 78, died at 10:00 a. m. Friday, February 10, 1950 at his home in Cameron.

Mr. Schigut was born in Austra, February 26, 1871 and had made his home in and around Cameron since 1876.

Among his survivors are his widow, Mrs. Mary Schigut of Rosebud and four sons, John Schigut of Rosebud, Raphael Schigut of Cameron, Joe Schigut of Caldwell, Mike Schigut of Junction, one daughter; Mrs. Martha Walker of Lampasas and eight grandchildren.

Funeral services will be from St. Monica's Catholic Church Sunday, February 12, 1950 at 3 p. m. conducted by Rev. George J. Duda with burial in St. Monica's cemetery.

The body will remain at Marek-Burns Funeral home until the funeral hour.

First Methodist Church will be host to a district wide Layman's banpuet Wednesday night, February 15. Approximately 200 Laymen from Bryan district will be in attendance. J. R. Peace, Lay leader from Galveston District will be the speaker. He is from East Benard. There will also be a program of entertainment featuring "Uncle Willis" of Dallas.

The Bess Triggs zone of the Bryan District SWCS of Woman Society of Christian Service will meet at the First Methodist Church here Wednesday, February 15 at 10:00 o'clock.

SCHOOL LUNCH ROOMS RECEIVE BUTTER SUPPLY

Chas. M. Hicks, County Superintendent of Public schools announced today that a car load of creamery butter arrived in Cameron Wednesday and would be distributed to the eleven county districts for lunch rooms.

The butter came from Omaha, Nebraska and weighed approximately 20 thousand pounds. Arrangements were made and the butter was distributed within five hours after arrival.

A car of potatoes and apples was received earlier in the week.

Expansion Due At McCloskey

Plans for adding 98 beds to the tuberculosis wards at McCloskey VA center are under way, Dr. L. M. Cochran, manager, announced Wednesday. The additional beds would give the section a total of 244 beds.

Authority for the expansion has been received and funds for the work have been allocated by the chief of construction division of the VA, Dr. Cochran said.

With addition to the beds in the tuberculosis section, total number of beds available in the center will be 1,209. The breakdown will be as follows: 200 beds for neuro-psychiartric patients, 415 for general medical and surgical, 244 for tuberculosis, and 350 for members of the domiciliary section.

It will be several months before the renovation is complete, Dr. Cochran said. The center is now obtaining the necessary materials for the work.

Thunder And Rain Add To Havoc

Tornadoes slashed at Texas, Louisiana, Oklahoma and Arkansas during the week-end, killing a reported 21 persons and injuring over 100 more.

Unconfirmed reports boosted the death toll as high as 25. The Texas-spawned storms struck hardest Sunday afternoon, spreading northeastward into border areas of Louisiana and Arkansas.

Northward in the midcontinent region a large blizzard was rising in Nebraska and Kansas. Downpours, squalls, snow, sleet and freezing rain also were reported.

The twisters started Saturday, hitting the Texas communities of La Porte, Alvin, Baileyville and Chapel Hill. Sunday new tornadoes lashed at Corley, Hughes Springs, Groesbeck, Haslam, Gill and farm areas near Lufkin. Most of the Sunday storms were concentrated in the northeast corner of the state.

Mr. and Mrs. Adolph Gresak of Buckholts announce the arrival of a daughter, Shirley Ann born Thursday, February 9 at St. Edward Hospital. The baby weighed seven pounds and 14 ounces.

Chas. J. Brown and family of Brady visited in Cameron for a few days the past week. The Browns are former residents of Cameron who recently moved to Brady. Mr. Brown was with Texaco Company here.

March Of Dimes Fund Benefits From Coffee Day

The March of Dimes Campaign got a boost in Cameron Thursday through an arrangement made by W. D. Bigbee with Cafes and coffee bars.

It was coffee drinking day and the people were asked to contribute an amount equal to the cost of the coffee or whatever they wished to donate each time they patronized the cafe that day.

A total of $112.65 was realized for the fund. Cafes and eating places who donated their service, a part of the sugar and coffee were: Blondie's, Milam Coffee Shop, Milam Drug, Laake's Drug, Corner Cafe, Cryer's Toddle Inn and New Cameron Drug. H. G. Chamberlain and The Lions Club also donated cream and coffee.

March of Dimes Campaign was not organized in Cameron and Mr. Bigbee volunteered with this plan which was very successful.

LAST RITES MONDAY FOR ROBERT P. YOUNG

Funeral services were held at 2 p. m. Monday, February 13, 1950 for Robert P. Young, 39, who died in Orange, Texas Saturday from a heart attack. Rev. P. A. Corkern, pastor First Baptist Church conducted the services at the Chapel of Green's Funeral Home, and burial was made in Oak Hill cemetery.

Mr. Young was born in Buckholts and was the son of the late Dr. and Mrs. J. Z. Young. He attended school in Buckholts and Cameron.

Among his survivors are his widow and one son of Houston, one sister, Mrs. Leland Green, Jr. of Cameron and two brothers; Major Young and Ray Lyman both of Houston.

MAYOR SETS ASIDE HEART WEEK HERE

Mayor Roy Griffith signed a proclamation this week setting aside the week of February 13-18 as American Heart week in Cameron.

American Heart week is sponsored by the American Heart Association to remind the nation that heart disease leads all other diseases as a cause of death.

The drive opened in Cameron Monday and small plastic heart containers were distributed through the business area to receive contributions to fight the disease.

CAR DRIVERS WILL GET NEW LICENSE PLAN

A streamlined procedure has been adopted by the Texas Department of Public Safety to help keep three and a half million Texas motorists within the law.

More than 800,000 Texans are using licenses which have expired.

You'll have to get your present license renewed on your own hook. After that, you'll be notified when your license is about to expire.

Much of the red tape now stuck to the process of getting your license renewed is due to be clipped. You'll have to fill out a renewal from just one more time. After that, a machine will do it for you.

A. F. Temple, chief of the drivers license division, is in charge of the new plan. He says Texas is the first state to start notifying drivers their licenses are about to expire.

Temple says about one fourth of the renewal applications now received are from "two days to several months late."

It now takes from two to four weeks to get your license renewed. The new plan will cut that delay.

Here's how it operates:

When your present license expires, you'll have to fill out a renewal form and mail it to the Department of Public Safety at Austin. From it, a business machine card will be punched and kept on file.

Your new license will be in post card form. It will be arranged to fit in your billfold.

Several weeks before it expires, you'll get a reminder to that effect All you'll have to do is tear off the renewal stub and mail it in with the proper fee.

That fee and the validation period will remain the same, 50c for an operator's license for two years, $1 for a commercial license for one year, and $3 for a chauffeur's license for one year.

Your new license will show the date it expires.

At present, each license shows only the date it was issued. The owner must figure out for himself when it expires.

Former Cameron Man Died in Corpus Christi

Jack Richards, 48, former Cameron man, now of Corpus Christi died in a hospital there late Thursday following a heart attack. Mr. Richards was rushed to the hospital early Thursday morning and passed away in the afternoon.

He is survived by his widow and one daughter, Mrs. Bobbie Sue Haynes, two sisters; Mrs. Grady Allen and Mrs. Therman Donaldson of Cameron, four brothers; Frank Richards, Jake Richards and Jim Richards of Cameron and R. F. Richards of Freeport.

Funeral serivces will be held in Corpus Christi Saturday, February 11, at 3:00 p. m.

BUICK STYLE IS HERE AGAIN!

No question now as to who has the ball on automobile styling!

Take a look at almost any blockful of new cars—and you will see once more the sweep and dip of tapering fenders that Buick pioneered—and that the whole country went for with a joyous whoop and holler.

They're a little smoother now, of course, rounded a bit—and are molded right into the body. And they flow sweetly into rear-fender forms that look for all the world like a jet plane's power plant.

Then look how wonderfully they are topped off in the upperstructure—with wide, curving, one-piece windshields, and with smart, Buick-originated wrap-around back windows!

Yes, Buick style is here again. The sleek, swift-lined style that has put Buick right in the fashion forefront of postwar America.

And you can have it in a choice of many sleek and roomy models, ranging in price from just above the lowest brackets to the fine-car field.

Come in to see your Buick dealer—and start traveling in the smartest styling of the times.

WHATEVER YOUR PRICE RANGE "Better buy Buick" GM Your Key to Greater Value

Phone your BUICK dealer for a demonstration—Right Now!

CALL FOR DEMOCRATIC RUN-OFF PRIMARY ELECTION FOR THE CITY OF CAMERON

I, Lester Williams, by virtue of authority vested in me as Chairman of the Democratic Executive Committee of the City of Cameron, Texas, and by direction of said Committee, do hereby order a Democratic Run-Off Primary Eelection to be held at the City Hall (Old Cameron State Bank Building) in the City of Cameron, Texas on Tuesday, February 28th, 1950, for the purpose of nominating a candidate of the Democratic Party for the office of City Marshal of the City of Cameron, in the regular election to be held for election of officers of said City on the first Tuesday in April, 1950, the same being the 4th day of April, by voting upon the two candidates receiving the highest number of votes for nomination as Democratic candidate for said above mentioned office, in the Democratic Primary Election heretofore held in the City of Cameron on the 7th day of February, 1950, to-wit:

Jim McGoldrick, and
Joe Richter.

Election at this run-off primary shall be by a majority of the votes cast. The test of the voter shall be: "I am a Democrat and pledge myself to support the nominee of this primary".

The election shall be governed by the general election laws governing primary elections in this State. The polls shall be open at 8 o'clock a. m., and shall close at 7 o'clock p. m. Leo O'Neill is hereby appointed Presiding Judge of the election and is hereby authorized to select and appoint such Judges and Clerks as the law allows to assist in holding said election.

Publication of this call for ten days as required by law shall serve as legal notice of said run-off primary election.

Witness my hand, this the 9th day of February, A. D. 1950.

LESTER WILLIAMS,
Chairman, Democratic Executive Committee, City of Cameron, Texas.

Mr. and Mrs. Charlie Brown of Brady visited relatives and friends here the past week end.

Junior Class Will Present Annual Play

Friday night, February 17, at 8 o'clock in the Yoe High School Auditorium, the Junior class will present the annual junior play entitled, "Plain Jane".

"Plain Jane" is the story of a gawky, western girl of 18 who was reared by her father who was a trick rider in rodeos. Jane's shrewd old aunt, Emma Marsden, had promised here husband when he died to divide his money equally among his three nephews, but when she discovered her niece Jane, she decided to give most of the money to the nephew who wins Jane's heart and divide what is left between the other two. This leads to the lively wooing of Jane.

The characters and people who protray them are: Christine Carr who plays Jenny, the maid, Bruce Cook as Parson the Butler, Evelyn Klapka, as Ellen the cook, Margaret Mitchell the secretary, Yvonne Wimberly, the rich aunt, Wallace Colburn, a nephew, Gerald Sanford the father, Gwenneth Flemming a nephew, Maxine Schuetze a mother, Eugene Dusek a nephew, and Evelyn Whittington as Jane Judkins, the niece.

The Junior Class has extended an invitation to the public to attend the presentation of "Plain Jane".

THANKS TO THE VOTERS

I wish to thank each of the voters who supported me in the past City Primary.

To those who did not cast their vote for me, I hold no ill feeling and want each of you to know that I value your friendship as highly as ever.

My desire is to help each of you in my present position as I have in the past.

Sincerely,
MARSHALL TERRY

Mrs. Leona Walton spent the week end visiting in Fort Worth.

MAJORITY OF DIGGERS WILL REMAIN IDLE

First reports from the soft coal fields today showed striking miners ignoring orders of a Federal court and John L. Lewis that they return to work.

There is strong indication that the majority of the 370,000 idle diggers will remain on strike as whistles blow for early morning shifts.

Midnight shifts did not report in Pennsylvania and West Virginia, signaling that the nation-wide coal strike was headed into its second week despite a 10-day Taft-Hartley injunction issued by Judge Richmond B. Keech.

A check of 11 UMW district presidents across the country revealed all but one thought the minners would not work.

The lone exception was Henry Allai, head of District 14, who said all miners in the Missouri-Kansas area "were directed to follow Mr. Lewis' instructions."

Even if District 14 miners worked more than 395,000 soft coal miners would still be affected by the walk-out.

SON TO THE MILLERS

Michael Lee, eight pound seven ounce son born to Mr. and Mrs. B. L. Miller at St. Edward Hospital Wednesday, February 15, 1950. The Miller's have a daughter, Linda Jane, four years of age. Both mother and baby are fine.

"42" Leisure Club Is Entertained

Mrs. Pete Bergum was hostess to the 42 Leisure Club, at the home of her sister, Mrs. Ida Vogelsang on February 9.

Decorations were red, white and blue in keeping with the George Washington birthday theme.

At the conclusion of the games, Mrs. Leo Fuchs held high score, Mrs. Henry Dakel second high and Mrs. John Matyastik won the 84 prize.

Table cuts were lovely crocheted powder puffs for all the ladies.

The hostess served delicious cherry pie topped with whipped cream, and ribbon sandwiches, with coffee.

Larry Wernli has returned home from Gonzales after spending two weeks with his grandparents.

Here's the perfect combination for perfect sleeping!

The unique, perfectly matched Equi-Balanced spring assemblies of the tuftless, double-cushioned Morning Glory Dream Team are the finest in the world—to give you form-fitting, soft-yet-firm "floating support!"

Jimmy Killen Is Honored With Party

Jimmy Killen celebrated his 5th birthday with a party at the home of his parents, Mr. and Mrs. Wilson Killen Saturday afternoon, February 11.

The following invited guests were present to wish the honoree many happy returns of the day, Janice Crittenden, Dorcos Ann and Sandra Smith, Craig Wallace, Lee Bert Robinson, Jolene Wied, Natalie Fleischer, Merlin Lester, Jean Lester, Reggie Balhorn, Larry and Bobby Schiller, Catherine and Micheal Mikula, Pam Green, Henry Paul Michalka, Becky and Linda Terry.

Games were conducted by Mrs. Charlie Smith, Jr. and Mrs. Carol Green gave a story and was in charge of the singing. Natalie Fleischer won first prize and Jean Lester won the Boobie prize.

In the dining room of the Killen home the party table was covered with a white cloth and the centerpiece was a lovely bright red enamel tree decorated with hearts. On each heart was the name of a guest, and under the tree were little boy and girl figurine lollypops. At one end of the table was a birthday cube cake with long ribbon streamers extending to each table setting and held little miniature gifts.

Mrs. Killen served a dainty refreshment course consisting of ice cream and cup cake with soda pop. Each little cup cake held one candle and were lighted when the large birthday cake candles were lighted.

Valentine Party Held By Business Women

Approximately 52 members and guests attended the Valentine party given by the Business and Professional Womens Club at their Club rooms Monday evening.

Miss Nell Mayes won the door prize which was a large cake. Bill Richter won the auction cake. Mrs. Bush Stafford won high in Canasta and low was captured by Miss Lois Randolph. In forty two Mrs. Jess Brock won high and Mrs. Bill Richter low.

The dining room of the Club room was decorated in the keeping of Valentine. The table had a centerpiece of a large arrangement of white stock with ribbon and hearts. Candles lighted the long table.

Refreshments of coffee and doughnuts were served to the guests

Donations from the party will be used for Red Cross, Infantile Paralysis, Community Chest and Cripled children.

Robert Ottmer of Buckholts was a Cameron business visitor recently.

St. Rita Circle Holds Meeting

The St. Rita Circle met with Mrs. John Matula and Mrs. Med Swain at the Matula home February 1.

A very interesting meeting was held with 21 members present. The members discussed the Catholic Girl Scout Troop and Mrs. Paul Dillon gave a very interesting talk on, "The Holy Year". Mrs. William Balhorn, Sr. read an article on, "The Indulgences gained by making visits to the Blessed Sacrament during the Holy Year". Mrs. Balhorn and Mrs. Swain also gave reports of the meeting held in the District court room for a mass tuberculosis survey in March.

Mrs. David Shapiro asked the members to attend the NCCW meeting in Bryan Sunday, February 5.

Following the business discussion the hostesses served toasted cheese sandwiches, cookies, candy and hot coffee.

The next meeting will be February 15 with Mrs. August Kunz and Mrs. Frank Hanel as hostesses.

The Halberdiers' Entertain Guests

Mr. and Mrs. A. H. Halberdier entertained with a turkey dinner at their home Saturday evening, February 4.

The following were present to enjoy the occasion, H. D. Fortenberry of Bogalusa, La., Rev. and Mrs. P. A. Corkern and Rebecca, Mr. and Mrs. R. L. Robinson and Nelda, Mrs. Mary Bailey, Mr. and Mrs. G. G. Terry, Gloria Halberdier and Dorothy Krage of Georgetown.

Mrs. Halberdier served the delicious dinner buffet style.

Mrs. R. L. Batte, Sr. Speaks At Meeting

The Rebekahs and the Odd Fellows met in a joint meeting at the Odd Fellow hall January 31 to celebrate the keeping of their founders birthday, Thomas Wiley.

Mrs. R. L .Batte, Sr. was the principle speaker for the occasion and her subject was on the life of Thomas Wiley.

Following the program a covered dish supper was served, and the evening was spent in playing 42.

Walston-Warren

Mrs. Virgil Walston and William Warren were married at 7:00 o'clock Monday evening at the home of W. J. Brashear, Justice of Peace.

The couple were attended by Lonnie Armstrong, Gladys Matthews and Mr. and Mrs. Ben Thweatt.

Mr. and Mrs. Warren will make their home in Cameron.

Mr. and Mrs. G. G. Collins and daughter Cherry Ann and Mr. and Mrs. Leon Hirsch and George Matula of San Antonio visited their mother, Mrs. George Matula over the week end.

Friends will regret to know that Mrs. Dan Robinson of Milano is ill with the flu and confined to her home at Milano.

Mr. and Mrs. L. A. Patillo and children of Houston spent the past week end in the home of her father, Floyd Phipps.

Martha Virginia Black and roommate, Jane Storey students at Baylor University were week end guests of Virginia's parents, Sheriff and Mrs. Carl Black.

Mrs. F. G. Blake of Hearne spent a few days visiting in the home of Mr. and Mrs. Gene Blake and sons here this week.

Mr. and Mrs. Frank Shafer were Business visitors here Tuesday of this week.

Leo Fuch, owner of the Ideal Hatchery and Poultry Farm is in Dallas attending the Poultry Advisory Committee meeting of the State Fair of Texas.

Miss Frances Baron, employee of the Bell Telephone Co. in Houston is spending the week end in Cameron visiting her sister, Tiny Baron and other friends.

Mrs. Cora Graham visited in Temple this week with relatives.

The Cameron Herald
February 16, 1950

Mr. and Mrs. Ernest Senkel are the proud parents of a son born at St. Edward Hospital, February 12, 1950. He weighed 8 pounds and 6 ounces and has been named Paul Ray. Mrs. Senkel is the former Winnie Bailey, daughter of Mr. and Mrs. W. E. Bailey of Calvert and Mr. Senkel is the son of Mr. and Mrs. Walter Senkel of Cameron.

Mrs. J. S. Jacob is much improved and has returned to her home after being ill and in Newton Memorial Hospital.

John Joe Dillon, little son of Mr. and Mrs. Paul Dillon is a medical patient in St. Edward Hospital.

PRIME PETROLEUM CO MAKES WILDCAT STAKE

Exploration for ail in the Rosebud area is getting a real try this year.

S. H. Skinner, retired hardware merchant, who recently entered the oil business, has blocked two drilling areas for the Prime Petroleum Co., Inc., of Houston, and the first wildcat has been staked on the Ellison estate, 100-acre tract, 150 feet from the south line and 350 feet from the east line of the tract, which is in the Levi Taylor survey in Milam County, nine miles east from Rosebud.

Cable tools are being used on this test in preference to the rotary rig that was used last year on a test on the identical tract, because of an unexpected good oil showing in the Navarro sand on the 630-foot level. Heavy mud in the hole, operators believe, plus the fact that nothing was being watched for at this level, is responsible for a non-commercial producer from the 1949 test.

The test has been spudded in, the surface casing set, and it has been drilled to 346 feet. Rains of the past few days have made roads impassable, but operations are due to begin again soon, according to Frank Bashara, vice president of the company, who is in Rosebud watching the development. This test will be drilled to the Edwards lime at about 3,200 feet of commercial production is not ecountered at the 650 foot area,Skinner stated.

The next survey for exploration is known as the Lee Casey plot.

Music Program Is Scheduled for Saturday

Frank Edwinn, brilliant young American basso, will present a concert here at 8 p. m. Feb.18 in Yoe High School gymnasium under the sponsorship of the Milam County Civiv Music Association.

Edwin was born in New York City, but studied in Florida and New York schools. At the age of 11 he was soloist for his high school choir.

He made his operatic debut in 1939 in "The Magic Flute" with the Miami Opera Co. He toured the United States in concert and opera between 1939 and 1942 and made solo appearances with the Miami Symphony.

The appearance of Edwinn here will mark the second in a series of concerts being given by the Milam Civic Music Association.

Rotarians Hear Edward Hay Wednes.

Edward Hay, assistant supervisor of the district census bureau in Waco, outlined the census taking program which will start on April 1 at the noon meeting of the Cameron Rotary club in the Milam Coffee shop Wednesday.

Mr. Hay outlined the history of taking censuses and pointed out benefits and advantages of compiling them for government statistics. He also explained the value of the census to the local citizen.

Henry Patillo was in charge of the program.

Lester Williams presented the 1950 charter of the Rotary-sponsored Boy Scout troop to L. W. Smith, president of the club, during the meeting.

St. Anthony's School Announce Honor Roll

The honor roll of St. Anthony's School has been compiled and is announced as follows:

Eighth grade: Bobby Balhorn, Louis Krenek, Lynn Lewis, Anton Mayer, Patsy Michalka, Victor Mueck, Henrietta Slavik.

Seventh grade: Rudolfine Hoelscher, Eunice Kleiber, Antonia Kunchick, Frances Ann Michalka, Theresa Marie Wohleb.

Sixth grade: Janis Ann Jistel, Stephen Polzer.

Fifth grade: Dorothy Dillon.

Fourth grade: Lee Franklin Hollas, Marie Mueck.

Third grade: Albert Hoelscher, Kenneth Hollas, Dorothy Mayer.

Second grade:Charles Hollas, Patricai Janek, Rudolph Mayer, Annette Mees, Catherine Mikula, Herman Mueck, Jeanette Richter.

Sunday guests in the home of Mr. and Mrs. Herbert Jungman at Edgeworth were Mr. and Mrs. Bill Slocum, Mr. and Mrs. Ed Pollei, Mr. and Mrs. H. F. Lange, Mr. and Mrs. Edmund Pollei and girls and Seigfred and Lawless Wolle. Friends of Mr. Jungmann will be glad to know he is much improved after having been under treatment at the Glenrose Hospital.

Postal Rate Hike Approved

WASHINGTON, Feb. 9 — The House passed and sent to the Senate a bill to hike poestal rates $130,000,000 a year.

President Truman had asked a $400,000,000 boost to help meet annual post office deficits upwards to $500,000,000.

Passage of the pared down measure was by voice after a move to send it back to committee was defeated 217 to 150.

Foes of the bill said it might drive some newspapers and mail order firms out of business. Representative Robert J. Corbett, Republican of Pennsylvania, said it was "just a way of covering up inefficiency."

But House Democratic leaders said the boost is necessary to reduce the post office deficit.

Proposed rate increases include: Postcards, $40,000,000; second class (newspapers and magazines), $15,000,000; third class, $23,600,000, and fourth class, $40,000,000.

Publications with circulation no higher than 1000 would not have to pay the higher second class rate.

Former Milam Co. Man Aboard USS Florikan

Robert Eugene Goode, engineman, third class, USN, son of Mr. and Mrs. R. L. Goode of Gause, Texas, and husband of Mrs. Marjorie M. Goode of 335 Cedar ave.' Long Beach, Calif., is serving aboard the submarine rescue vessel USS Florikan with the Pacific Fleet .

The Florikan, 251-foot ship commissioned in 1942, is one of the largest tug-type vessels employed by the Navy. It is equipped with a rescue chamber to bring men to the surface from disabled submarines.

JONES PRAIRIE
By MRS. S. S. HICKMAN

Sunday dinner guests of Mr. and Mrs. Bailey Jones, were Mr. and Mrs. Hope Jamison, Mr. and Mrs. Pool Jamison and little daughter Sara of Freeport, Mr. and Mrs. Lovelace Jamison of Waco, Mr. and Mrs. LeRoy Massengale of Maysfield and Mrs. J. A. Jamison.

Mrs. E. B. Yager visited her son and family, Mr. and Mrs. Thomas Yager of Houston last week.

Mr. and Mrs. Edgar Burnett of Houston spent the week end with Mr. and Mrs. W. B. Burnett and other relatives here .

Dr. W. J. Fontaine and Mrs. R. K. Fontaine were business visitors in Temple Friday.

Mr. and Mrs. Vass Harlen of Branchville spent Sunday with Mr. and Mrs. H. P. McKinney.

Mr. and Mrs. Elmo Canady of Houston spent the week end with his parents, Mr. and Mrs. O. T. Canady.

Mr. and Mrs. George Burnett and family of Freeport spent several days with his parents, Mr. and Mrs. A. L. Burnett.

Mr. and Mrs. J. H. McNeill are visiting in Houston this week.

Mr. and Mrs. Marvin Hickman were week end guests of her mother Mrs. M. P. Carroll of Houston.

Dwight Moody, Jr. of Cameron spent the week end with his grand parents, Mr. and Mrs. T. B. Stidham.

W. B. Burnett spent last week with Mr. and Mrs. Jack Burnett of Freeport.

Mrs. I. R. Glenn is spending the week with Miss Edna McKinney.

Miss Roxie Allday is visiting Mr. and Mrs. Jack Jones and other relatives in Rosebud.

Mr. and Mrs. E. E. Pool accompanied by Mr. and Mrs. George Pool of Cameron attended the funeral of Mrs. George Pool at Abernathy Friday.

Preparatory to the simultaneous revival which will begin April 9 at Little River Baptist Church will have cottage prayer meeting in connection with choir practice each Friday night in the homes at 7:30. Everyone is urged to attend.

Mrs. Geo. Pool of Abernathy formerly of this community passed away Thursday, February 9 after a long illness. Friends here extended sympathy to the bereaved family.

Mr. and Mrs. W. A. Bailey and son, Joe and their daughter, Mrs. Loran Morgan of Calvert visited their daughter and family, Mr. and Mrs. Ernest Senkel at St. Edward Hospital Sunday and saw their new grandson.

Friends will regret to know that Mrs. Cora L. Blakey fell at her home last week and suffered a broken arm and a cracked hip. She is confined to Newton Memorial Hospital where she is resting as well as could be expected. Mrs. Blakey is the mother of Miss Leona Blakey of Cameron.

MILANO NEWS

The wind did considerable damage Sunday morning in and around Milano by blowing over out buildings and uprooting trees. Some roads were almost impassable due to being washed out and covered with tree tops.

The flue has hit Milano hard. Most every home has had one or more cases. Last week four school teachers were confined with it.

Mr. and Mrs. Ase McGregor and Addie Mae spent Sunday in the Cecil Kirk home at Hearne.

Mr. and Mrs. Tom Hutto and children have returned home from a pleasant visit in Houston and Freeport with relatives.

Weldon Parker of Maysfield visited with his parents here last week.

Mr. and Mrs. Aran Worbington and two children of Houston were guests of their mother, Mrs. Ida Howes here last week end.

Mrs. Collie Gerdes and two children of Caldwell were week end guests in the home of Mr. and Mrs. Carlos Sloan.

Mr. and Mrs. John Barnes and son and her mother, Mrs. Mary Peeples of Houston spent Saturday and Saturday night here. They reported plenty of rain there.

Mr. and Mrs. Charlie Basket received the sad news Wednesday that his mother was seriously ill at a hospital in Galveston. They went down and she passed away Sunday morning at 8:30.

Mr. and Mrs. Cecil McGregor of Dallas spent last week here with their parents, Mr. and Mrs. Ase McGregor.

Mrs. Martha Baggett left last week for a visit with her children in Dallas.

Mr. and Mrs. G. F. Layne of Jacksonville were guests of their parents here last week, Mr. and Mrs. W. E. Thomas.

Mr. and Mrs. Johnnie Elsenberg have moved from Milano to their home at Minerva.

Mrs. Luther Kerns of Hearne was visiting in the home of her parents, Mr. and Mrs. Tom Tabor last week.

Mrs. Thelma Kirk and daughter, Patsy, visited her parents here Sunday.

YARRELLTON NEWS
MRS. LENA RUSSELL

Charlene Griffin returned home from the hospital Wednesday and is recuperating slowly.

Mr. and Mrs. A. E. Bryant are confined to their home with flu this week.

Mrs. John Page has returned home after a visit with home folks.

Martha Lee Solomon is ill at her home with flu.

Mr. and Mrs. Barbee Barrett and sons spent Sunday with his mother, Mrs. Jennie Barrett.

Mr. and Mrs. Raymond Barker and children of Rockdale spent Sunday in the Ed Lake home.

Mr. and Mrs. Bill Stitt and Mr. and Mrs. Warren Hasting spent last week end with Mrs. Add Miller.

Loma Russell visited Charlene Griffin Saturday and Sunday afternoons.

Denson Provasek spent the week end with his uncle at Ad Hall.

Frank Griffin was ill last week end.

Navy Club Will Exhibit Nazi U-Boat

The Navy Club of U. S. A. will have an exhibition in Cameron of a German Midget Submarine on Tuesday, Feb. 21. This exhibit is mounted on a large trailer and will be parked at the Court House and open between the hours of 10:00 a. m. and 10:00 p. m. There is no admission charge. However, voluntary donations are gratefully accepted, and funds so raised help the Navy Club of U. S. A. carry on their extensive welfare and rehabilitation program.

The Midget Submarine was known in Germany as the "Seehund", and was one of the secret weapons the Nazis developed in their futile efforts to conquer the world. The Seehund is 39 feet long, and weighs 21 tons, carrying two full sized torpedoes, each being 22 feet long. The submarine, having a speed of 8 knots on the surface, and 4 knots submerged, was operated by two men.

This is the only one in this country and as far as known there are only two left in the world, all the rest having been destroyed by the Germans so that the existence of this secret weapon would not be known. This U Boat is mounted on the original trailer used by the Germans to transport this submarine overland. This submarine was launched from this very same trailer along with others of the same type and kind, at desired location for attack upon our ships. They always attacked in a pack and from this method of attack came the well known expression of being attacked by a Wolf Pack.

This is one of the types of submarines the Germans gambled with and which was most vital in their war plans. The failure of the submarine campaign was due to our effective counter measures, and was one of the deciding factors in the outcome of the war.

This submarine is under test observation and study by the Navy Department.

This exhibit is being toured nationally by the Navy Club of U. S. A. a veterans' organiation incorporated by Act of Congress in 1940. The Navy Club of U. S. A. is the only exclusive national organiation of Naval veterans, and is strictly a non-profit organiation. dedicated to the welfare and rehabilitation of all U. S. Naval personnel.

Marlow Intermediates Hold Annual Banquet

The intermediates of the Marlow Baptist Church had a sweetheart banquet Saturday night, February 11, in the social room at the church.

The valentine theme was carried out in decorations and programs. This was the second year for the church to have a sweetheart banquet for the intermediates.

The invocation was offered by Miss Betty Jo Short. The ladies of the church served the meal, and was followed by group singing. The pastor, Adrian W. Coleman directed the games.

Guest speaker for the evening was coach Paul Smith of Cameron who spoke on the subject of Intermediates making happy home life and happy occupations.

The benediction was given by Bentley Braden and Mrs. Coleman played the piano for the singing. Sponsors for the group are Mr. and Mrs. Clyde Baker and Mrs. Morris Coward.

Application Blanks For Census Bureau Explained

E. L. Hay, Assistant District Supervisor, Bureau of the Census has announced that the Texas Employment Commission is authorized to issue application blanks for employment with the Census Bureau. The issuance of the blanks does not mean that the Employment Commission has the authority to hire or promise jobs to any person.

Proper procedure for applying for positions with the Census Bureau is to write the Bureau of the Census, Waco, Texas. Or to secure an application blank from the Texas Employment Commission and they will in turn forward it to the Waco office.

Ehe Employment Commission will be able to explain some of the details involved in taking the Census, however these questions will be answered by the Census Bureau.

Final Rites Held For Joseph S. Sklenar

Joseph S. Sklenar died in the Naval Hospital in Corpus Christi January 30, 1950.

Mr. Sklenar was a veteran of World War I and was born December 16, 1886 in Morava, Czechoslovakia. He left Czechoslovakia September 8, 1902 as a boy of fifteen and came to Cameron residing at Marak. He was called to the Army in 1917 and after the war made his home at Caldwell.

Funeral services were held from the Marak Catholic Church at 9 o'clock Thursday, February 9 with Father Ben Holub officiating. Burial was made in the Marak Cemetery.

Pallbearers were: Mike Sipula, Anton Mikula, Joe Zavrel, Louis Zavrel, Frank Zavrel and Ladis Joches. Marek-Burns Funeral Home had charge of the arrangement.

Mr. Sklenar is survived by one sister Mrs. Mary Zavrel of Cameron.

WHERE ARE WE GOING?

Mr. Farmer and Rancher, we of the Milam County Farm Bureau of 929 members need your support, and thinking in our organization to help protect and safeguard our interest on all agricultural problems.

"What are we doing and Where are we going, in Farm Bureau?

The Milam County Farm Bureau has 929 members 503 of these members and their families, have hospital and medical care, at a very reasonable cost. We have "casualty insurance" for farmers and ranchers, on cars, pickups and trucks, at a reduced cost after the first six months. We have life insurance for every farmer and rancher, from age 50 and down, at a good saving.

These are the services the members have access to, Why? Because the Farm Bureau members wanted something, the non-members were unable to get. A good saving. So much for the services of the Farm Bureau. Farmers and ranchers of the past were more or less independent individuals and as a whole got a long very well until 1929 through 1932.

We, as a free people, were in a destitute condition. This was not a dream. It was a reality, and facts. You and I know. With these facts in mind, we began to look for a different kind of leadership. When 1929 through 1932 were gone, the big industries and laboring people, as well as the farmers and ranchers, had begun to do some of their own thinking.

Now, wise farmers and ranchers, we know, today that industry and labor and all groups that we do business with are highly organized. If we do not organize; We are doomed, and all the other groups will be doomed shortly. In order to help safeguard the interest of agriculture as a whole; join the Milam County Farm Bureau now. In doing this your voice will be heard in helping to conserve our soil, to promote and help write a better farm program and in turn this will help keep our County-State-National and World economy strong.

WHERE ARE WE GOING?

Milam County Farm Bureau has an Office in Cameron by the requests of the Board of Directors and the membership for the members convenience.

Farm Bureau Membership Drive will begin, Saturday, February 25 and will end March 17, 1950.

S. W. McCLAREN, President
Milam County Farm Bureau.

Pee Wee Team of Chicago May Play Gause Team Here

The City Championship Pee Wee football team of Chicago, coached by the immortal Red Grange and a staff from the Chicago Bears and Cardinals, would be available to play in the 1950 Milk Bowl, it was learned this week by directors of the Milk Bowl, Inc.

This same Championship team and competing teams play between halves at home games of the Bears and Cardnals.

The Board of Directors of the Bowl have yet to announce the procedure for selection of Milk Bowl participants, and have not indicated policy on out-of-state teams.

Perhaps you've taken part in community barn raising too. There's a fine example of how neighbors can help each other out—a fine example too of how our American way of voluntary cooperation makes for good living.

Security your neighbors help to give you

The protection and security you enjoy in a mutual life insurance company come from the millions of other families cooperatively joined with you.

Have you ever thought of it this way?—You and your Equitable neighbors are building an economic structure that stores security. You are working together with a common aim, and with every premium payment you make you add a unit in a continuing building process that has been progressing for 90 years.

Yes, your insurance security seems close to home when you come to think of it—and that security has the soundest of bases . . . the cooperation of your friends and neighbors all over the U. S.

Remember, The Equitable Society is no further from you than your closest neighbor with an Equitable policy.

Red Cross Aid For Baileyville

Red Cross Workers moved into the Baileyville community 15 miles east of Rosebud to provide food, clothing, and medical supplies to 43 people from eight families made homeless when a tornado struck late Saturday afternoon.

Only three injured persons, all Negroes, were reported today after a tally of the tornado's toll. They were Hattie B. Cross and her daughter and Miranda Hunt. They were in a hospital at Rosebud where they were not thought to be seriously injured.

Miss Geneva Voss, executive secretary of the Bell County Red Cross chapter, visited the area where the tornado struck Sunday and delivered food and enough clothing to care for the victims. They will register in Rosebud Monday.

Also on the scene Sunday was Tom Waggoner, Red Cross field worker from Marlin.

A further check on the tornado revealed that it moved on into Robertson County after striking heavily at the Baileyville community.

Reports from Bremond said the home of Frank Kronenberger was demolished. He lived by himself South of Bremond. It was also reported that barns and fram houses were damaged on the George Mears farm and on the Nivers farm in the Brazos bottom.

MILITARY LEADERS CONFER WITH PRESIDENT

With battle lines rapidly sharping for the second round of the cold war in Asia, President Truman today received a first hand report from the nation's big four military leaders on America's main defenses in the Pacific and Far East.

An extraordinary White House conference, brought about by the return of the joint chiefs of staff from a 10-day trip through the Pacific, coincided with evidence in several other quarters that both the United States and Russia are stepping up their actions and interests in the struggle for Asia.

At least some indication of what Gen. Omar Bradley and the other members of the four-man military high command told Mr. Truman will be given in a news conference Monday. Meanwhile the lips of the group of high ranking officials who attended today's session were closed.

That it had far reaching diplomatic as well as military significance was indicated by the fact that undersecretary of state James Webb attended the conference along with defense secretary Jouis Johnson, defense undersecretary Stephen Early and the heads of the army, navy and air departments.

The joint chiefs had visited Japan, Okinawa, Guam and Hawaii, the main military positions upon which America's total power in the Asiatic-Far Eastern areas rests.

While the meeting of the joint chiefs and the president focused attention on the Far Eastern situation, other developments emphasized to an even greater degree the fines of that area of the global struggle.

John Hunt and his son, John Ray Hunt from the Hunt Ranch near Killeen and Bernice Beck of Killeen were business visitors in Cameron Monday and visited J. B. White at Newton Memorial Hospital.

BAILEYVILLE STORM PUTS THREE IN HOSPITAL SAT.

Three persons have been hospitalized and two more are scheduled to receive a medical checkup as a result of the twister that struck in the neighborhood of Baileyville, nine miles east of Rosebud late Saturday.

And in the rest of Central Texas, a heavy rain caused streams to rise. At least four creek bridges are known to have been washed out.

In the Rosebud twister, the three who have been hospitalized were in the home of Mrs. Miranda Hunt, negro of about 70. She received a broken right arm and head injuries while her daughter, Mrs. Hattie B. Cross, 37, had head, back and arm injuries. Ida Pearl Cross, 7, received a broken right arm and head injuries.

Mr. and Mrs. Antonio Val Verde are scheduled for a medical checkup.

The damage estimates done by the fast-moving twister have been placed at more than $40,000.

Four bridges have been washed out in the Holland area, forcing school to be canceled there today.

"It was the biggest rain we have had here in a long time," Holland School Supt. E. M. Brice said.

School would be held there today, he said, if the bridge leading to Vilas community from the Holland had not been washed out. He said that it is impossible to cross the stream there.

School is scheduled to resume Tuesday.

Another bridge near Vilas and two in the Center Oak district near Holland are also washed out, he said.

The twister that hit in the Baileyville area skipped over and hit south of Bremond where it destroyed one house on the edge of town, Ralph Kilgore of the Roebud News reported.

The heavy rains that accompanied the twister swelled three creeks out of banks and delayed workers Sunday in an attempt to reach the W. J. Smilie home.

Claud and Richard Ellison, on whose property 14 buildings were destroyed, estimated their damage to be at least $20,000. Many of the buildings were completeiy destroyed. Chickens, pigs, corn cribs and grain that were on the property before the twister are scattered or entirely missing.

In the area, the ground is covered with mud and water.

Early Sunday the Red Cross came to the scene and gave clothing and food to the 43 persons who are homeless.

Those persons made homeless by the storm will meet in the city hall in Rosebud Monday in order for the Red Cross to estimate how much it will take to put them back on their feet.

All the families affected by the twister but Mr. and Mrs. Smilie were tenant farmers.

The Smilie family was the first hit by the twister that came from the southwest. It struck their home about 5:30 p. m. Mr. Smilie, 84, was reading a paper and his wife, an invalid, was in bed.

An entire widow frame blew across Mrs. Smilie and her husband, a semi-invalid, removed the frame. It pushed their house againgt a large mesquite tree. Their son-in-law, Oliver Wall, soon arrived and took care of them.

Near that home, Mr. Killgore said, a piece of aluminum wire, used for REA lines, hit a large piece of sheet metal with such force as to bend it completely double.

And there were pieces of two-by-four plank inbedded so deep in the ground that two men couldn't pull it out.

Next the twister hit the home of Mr. and Mrs. Antonio Val Verde and their seven children. It demolished the home completely, leaving only scattered pieces of paper and the blocks of the house standing.

About 500 yards up the way it hit the home of Philip Val Verde who was not at home.

Across the road it hit the home of Henry Taylor, a negro of about 70, where there were about 16 persons eating supper. The family wash had just been hung on the line. All the families' clothing is gone. Taylor said that "we just shoved in the backroom and piled up on the floor." He was hurt slightly when a wooden splinter hit him in the chest.

Mr. and Mrs. Tina Ramiez and six children, who live near the Taylor family, saw the twister coming. They grabbed a tarpaulin and huddled in a wash near the house. None were hurt.

The home of Mrs. Hunt, who is receiving treatment, was lifted up and dumped about 50 yards away by the twister. The house and a barn were demolished.

The twister then picked up and set down next on the home of Chap Gentry, 70, across Hog creek three miles away, Mr. Gentry left home three weeks ago because of illness. All that was left of his home was a radio, minus its cover, and bits of the steps of the house.

A heavy rain was reported in the Cameron area. Elm creek is out of bank. However, the rise on the Little river had not pushed out of banks.

The railroad depots in Temple reported that trains were near schedule and no bridges have been washed out.

Dr. J. R. Johnston of Blackland experiment station near Temple said the heavy rains was just what the farmers have been needing.

He reported that 1.43 inches of rain in the 24-hour period ending at 5:30 p. m. Sunday should have caused the tanks on farms to fill if the watershed was proper.

What the farmers need now, he said, is at least two weeks of sunshine. He said it would take that long for the farmers to be able to work the fields. Many, he added, would like to rebed.

Since the first of February, he said, 4.24 inches of rain have been recorded at the station. And the Saturday and early Sunday were the first to cause runoff.

SCOUTS WILL CELEBRATE ITS 40TH ANNIVERSARY

The national Jamboree of the Boy Scouts of America, to be held at Valley Forge, Pennsylvania in celebration of Scouts' 40th anniversary is attracting many registrations from our Heart of Texas Council. It is anticipated that 40,000 Scouts and Scouters will camp in one of the most colorful settings in the world where General George Washington camped with the continental army in 1776.

Following shake-down instruction camp the official gathering will run from June 30th through July 6th and the program will include a series of pageants re-enacting the history of Valley Forge. A convocation on Sunday, July 4th under the theme "Freedom of Religion" will be followed by a final pageant reflecting "World Brotherhood."

Side trips will be furnished the Scouts to Philadelphia, Washington and New York City. This will, no doubt, be one of the greatest events in the participants' life and will assure a renewed and continued interest in scouting and in strengthening our Country for Freedom and Liberty.

Scouts recently registered from the various Cameron Troops are Edward Brady, Arthur Martin, Jr., and Dick Jenness. Our Council is entitled to 126 places and it is suggested that all who wish to sponsor trips for the boys immediately contact Lester Williams, member of the executive board and Council Jamboree Registrations Chairman.

CARD OF THANKS

We wish to express our sincere appreciation and thanks to all relatives and friends who attended the funeral of our father.

Lois Schwab,
Frank Schwab,
Richard Schwab,
Mr. and Mrs. Bruno Marak,
Mr. and Mrs. James Zotz.

Rev. P. A. Corkern, pastor First Baptist Church made a trip to Louisiana where he visited relatives and was acompanied home by his wife and little daughter.

Mrs. Bob McCown, son and daughter spent Sunday in Ennis.

Personal Mention

Rev. Risinger of Lexington visited Mrs. Mary Bailey in the Halberdier home the past Tuesday afternoon.

H. D. Fortenberry of Bogolusa, La. visited in the A. H. Halberdier home several days the past week.

Miss Gloria Halberdier of Temple spent the week end visiting her parents here. Miss Halberdier is employed in the office of the Bell County Surveyor in Temple.

Allen Jones, son of Mr. and Mrs. Marvin Jones is a patient at Newton Memorial Hospital.

Paul Weichert of Edgeworth visited friends in Cameron the first of the week.

Mrs. Maebelle Williams is among the patients ill and in Newton Memorial Hospital for treatment.

I'M REDDY KILOWATT . . . *Your Electric Servant*

You've never seen me before because I've always stayed inside the REDDYBOX—your electric outlet. Now I'm stepping out so that we can get better acquainted.

I'm the symbol of good electric service . . . your servant that runs everything electrical.

I'm not like anyone you've ever seen before. My body is made of lightning flashes—my nose a light bulb—my ears are outlets—and those two things sticking out of my head are wisps of curly hair. I move silently in my rubber shoes. I move swiftly, too, at the speed of 186 thousand miles per second . . . I'm the fastest thing on earth.

I'm your economical and willing servant who works long hours at low wages. Whenever you want me I'll be waiting in your nearest REDDYBOX—electric outlet. Remember, just . . . "PLUG IN—I'M REDDY."
